ACCEPTED SWIMS SUMMARY - Overleaf

All swimmers who met the consideration times have been accepted or are reserves (see below). Please note that the 100m times shown overleaf for 10 & under Girls, 10 & under Boys, and 11 year old boys are their 200m times, reflecting that qualification is via the 200m event.

ENTRY INFORMATION

No cards will be produced for this meet.

Errors to the entry information shown overleaf can normally be corrected before the meet (please email rjm7737@btinternet.com). It is most unlikely that corrections will be possible on the day.

WITHDRAWING FROM AN EVENT

It is very important that swimmers withdraw from any event they have entered but do not intend to swim. If swimmers do not withdraw, heats will inevitably be swum with empty lanes.

Swimmers may withdraw at any time prior to the day of the session concerned by emailing rjm7737@btinternet.com or by texting 0794 103 5204. Emails & texts must include the event and competitor number for the swim as shown overleaf.

You may withdraw on the day by registering at the withdrawal desk which will be at the entrance to the changing rooms, or by calling 0794 103 5204. (please do not call this number prior to the day). NB for session 4 only, you will not be able to withdraw by phone on the day.

You must register your withdrawal by the withdrawal times for each session as listed overleaf. Please have your event and competitor number to hand.

TEAM EVENTS

There is a team declaration card attached for each team entered. This must be completed with the names of the swimmers who will swim and handed in at the withdrawals desk (see above) prior to the start of the relevant session. If you do not submit this card, your team will be withdrawn.

REPORTING FOR EVENTS

It is the responsibility of each swimmer to make sure they report to the competitor stewards in good time for their swim. Start lists will be posted on pool side before the start of each session.

RESERVE SWIMS

Where RESERVE is shown against an event overleaf, and the competitor number includes the letter "R", you are a reserve swimmer. There will also be a white card attached. You will be able to swim if there would otherwise be an empty lane. The final number in your competitor number is your reserve place, so a competitor number 4R2 is the 2nd reserve. Obviously the lower the reserve place, the better chance you will be able to swim. If you are a reserve swimmer and wish to swim you MUST hand your white card to the withdrawal desk (see above) prior to the withdrawal time shown against the relevant session.

SESSION TIMES

Please note the actual session times differ slightly from those provisionally published. They are clearly shown overleaf.
