January 2010

Dear Colleague,

## County Championships, Age-Group, Masters' & Open Competitions 2010

Happy New Year to you. County championships are not far off and detailed below are the sessions including our No Frills meet. I hope you will be able to volunteer for some of the galas. I do not have working email addresses for all registered officials so if you hear of an official who has not received this circular please pass it on. Some of you have been unable to attend the FINA Technical Rules update and if there are surplus volunteers for a session this CPD will be arranged.

To encourage new officials I would also like to run training courses for Timekeepers aimed at getting those parents in the gallery involved. Anyone at your club who is interested should email me.

As usual refreshments will be provided for those working consecutive sessions and car parking (Hinds Meadow long stay) will be reimbursed. County shirts may be purchased from Madge Lyne (£10) if you are working at a county event. Enquiries to [madge.lyne@btinternet.com](mailto:madge.lyne@btinternet.com)

Please will you reply by 22 January 2010. As previously, officials who do not respond to this circular will be assumed not to be available for County events and will not appear in subsequent editions of the County Handbook.

Confirmation of appointments will be sent by the end of the month. Thank you for supporting the county competitions

Yours Sincerely,  
*Sue*
