ACCEPTED SWIMS SUMMARY

All swimmers who entered and paid on time and met the published entry criteria have been accepted.

Please consult the accepted swims summary at www.bsbasa.org for full details of the entry information received from the on-line entry system. Errors to the entry information can normally be corrected before the meet (please email championships@bsbasa.org). It is most unlikely that corrections will be possible on the day.

REGISTRATION – INDIVIDUAL EVENTS

All swimmers need to register that they intend to swim in each of the events they have entered for. There will be separate registrations for all sessions. Registration closes at the start of the warm up for each session, ie 9:15 for session 1, 12:45 for session 2, and 16:15 for session 3

Registration will take place at the top of the stairs as you approach the pool. There will be separate registration sheets for boys and girls, and there will be someone to assist. Swimmers need to register their intention to swim by highlighting their competitor number for the events they will swim. Events that they will not be swimming should be left un-highlighted.

If you do not register, you will not be able to swim.

REGISTRATION - RELAYS

Relay team declaration forms will be sent to the person who entered the relay teams. These must be completed with the names of the competitors who will swim and posted in the tray on the announcer's desk before the start of the warm up for the relevant session. If the declaration form is not posted, the team will not be able to swim.

REPORTING FOR EVENTS

It is the responsibility of each swimmer to make sure they report to the competitor stewards in good time for their swim. Start lists will be posted on pool side before the start of each session.
