## County and Age Group Championships 2017

(Under ASA Laws and ASA Technical Rules)

### Entry Conditions and Procedure

#### Introduction

1. The County Championships, the County Age Group Championships and the County Para-swimming Championships are run as an integrated meet. The County Championships are governed by the County Championships Conditions approved by the County Management Board. These can be found on the BSBASA website ([www.bsbasa.org](http://www.bsbasa.org)). The key requirements of the County Championship Conditions are summarised in this entry procedure document.
2. The format of these championships has changed following feedback from clubs and coaches after last year's championships, and to take advantage of the new Wycombe pool. Full details of the new format are contained in this entry pack.

The key changes are:

- We are doing half of the events at Wycombe and there is a new order of events
  - The longer pool booking we can get at Wycombe allows us to have a separate finals session
  - We will swim the 800m and 1500m long course at Wycombe (rather than Aldershot)
  - There are now Open Boys and Girls 4x100m relay events
3. The Wycombe pool has 8 lanes and features backstroke ledges. The 800m and 1500m events will be swum long course and the 20m community pool will be available for warm up during racing and for swim down. The other events at Wycombe will be swum short course with the remaining part of the pool being used for warm up during racing and for swim down.
  4. The Maidenhead pool is an 8 lane 25m pool. There is no facility for warm up during racing or for swim down.
  5. Please note that the facilities at both pools feature mixed changing villages and these as well as other areas of the leisure centres are likely to be open to the public during the championships.

#### Eligibility

6. Competitors who are registered with the ASA as members of clubs affiliated to the Association on the closing date for entries and have Category 2 ASA membership may enter individual events. However a competitor may only represent one club in the Championships. Furthermore a competitor who has entered BSBASA Championships in any other discipline in the same calendar year can only swim in the name of the same club represented in that other Championship. Finally a competitor who has swum in the Championship or Age Group Competitions of another county in the same calendar year may not enter.

A swimmer must also be registered with the ASA as a member of a club affiliated to the Association and have Category 2 ASA membership on the day of competition. Where this is a different club than the entry club (i.e. where a swimmer has changed their registered club after entering), the swimmer will represent their new club, except if they have already swam in the name of their old club at these Championships or the BSBASA Championships in any other discipline in the same calendar year. In such cases, the swimmer will not represent any club from the point of re-registration.

7. All clubs affiliated to the Association may enter team events. Individual competitors selected to represent clubs must be eligible to enter individual events in the name of that club, and swimmers can only swim in the teams of one club in these Championships. A swimmer may not compete in more than one team in the same event.

### **Competitors with disabilities**

8. Classified Disability Swimmers may enter any event provided they meet the eligibility requirements above. The normal qualifying times will be extended by 25% (but this is subject to the promoter's discretion on a case by case basis) and competitors wishing to take advantage of the extended qualifying times should contact the organisers ([championships@bsbasa.org](mailto:championships@bsbasa.org)) regarding the entry process.

The Para-Swimming multi-classification competition awards are described later in this document.

Mixed events comprise two male and two female swimmers, who may swim in any order.

All ages are at 31 December 2017.

13. There are no minimum consideration times for team events, and it is intended that the County team events should be a good opportunity for swimmers to gain experience of relay team racing. It is therefore expected that there will be a wide range of entry times in each event. Would clubs and coaches please make sure that the entry times are appropriate for the team that is expected to swim on the day and think twice about entering teams that are likely to be way below the standard of any of the other competing clubs.

### **Entry Procedure - General**

14. All entries must be made and paid for on-line by following the link at [www.bsbasa.org](http://www.bsbasa.org). Please note that entry will be by ASA number and only those swimmers who are registered with clubs in the County and who have a Category 2 ASA registration are permitted to enter.
15. The closing date for submitting and paying for entries is **noon on 24 December 2016**. No entries will be accepted or entry times updated after that date.
16. Entry fees are £6.50 per individual event and £8.50 per team event. No entries will be accepted without payment of the appropriate entry fee. Except where it is not possible to accept entries (see below) entry fees are not refundable. Entry fees in respect of an incorrect entry will be forfeit.

### **Entry Procedure - Individual events**

17. Swimmers must have achieved the consideration time during the period 24 December 2015 – 18 December 2016. These times must have been achieved at ASA licensed meets (Level 1 – 4) and be included in the ASA Rankings Database at the date of entering, or be included in the ASA Masters Rankings Database. When entering, the on-line entry system will download the fastest short course time (actual or converted) achieved in the 12 months ended on 24 December 2016 from the ASA Rankings database and where this is equal to or faster than the consideration time, this will be the swimmers entry time. It is not possible to amend this time. Conversions from long course (50m) to short course (25m) will be done using the equivalent performance application (based on tables published by the ASA) at [www.bsbasa.org](http://www.bsbasa.org). Only times set in 25m or 50m pools are eligible. Masters wishing to enter using times from the ASA Masters Rankings Database should contact the organisers ([championships@bsbasa.org](mailto:championships@bsbasa.org)).
18. Split times from longer events and relay lead off times will not be accepted for entry.
19. Swimmers who have elected to keep their membership and ranking information private will not be able to enter using the on-line system. These swimmers should amend their membership status with the ASA and then use the on-line system. Only in very exceptional circumstances, will the Entries Secretary through his discretion allow this condition to be relaxed and even then only after suitable evidence of the circumstances and entry times have been provided which must be at least 10 days prior to the closing date.
20. Please note that meeting the consideration time does not guarantee entry and depending on the volume of entries it may not be possible to accept all entries from swimmers who have achieved the consideration time. Where this is necessary, swimmers with the fastest times will be accepted taking into account the need to be fair between age groups. Where possible, swimmers who are not accepted may be nominated as reserves, and may be able to swim in the event of withdrawals.
21. Consideration times are attached and are stated to tenths. For the avoidance of doubt, where the consideration time is stated as (say) 1:37.0, a time of 1:37.00 meets the entry criterion, but 1:37.01 does not.

## Entry Procedure - Team events

22. It is not necessary to name the swimmers from whom each team will be selected on the entry form, however the names, dates of birth, ASA registration numbers, and swim order of the selected swimmers must be declared on the team declaration form which must be posted before the time indicated on the form. All teams must be entered and paid for using the on-line system at [www.bsbasa.org](http://www.bsbasa.org).

## Notification of Accepted Swims

23. Entries successfully received by the on-line system can be viewed at any time at [www.bsbasa.org](http://www.bsbasa.org), but receipt of entries does not guarantee acceptance. Accepted swims will be posted at [www.bsbasa.org](http://www.bsbasa.org) as soon as possible after the closing date. It is the responsibility of swimmers and clubs to check entry details carefully before the meet starts. Processing errors notified before the start of the meet will be corrected. It is most unlikely that errors can be corrected once the meet has started.

## Meet details

24. The order of events is attached. Please note that the session times are provisional and will be confirmed once entries have been processed. Swimmers should consider carefully which events they enter, and in particular the possibility that if they qualify for finals they may need to swim a number of races over a very short period of time. It will not be possible to have a break in the programme to accommodate multiple swims. Swimmers who qualify for finals are expected to swim in those finals, and withdrawals from finals should only occur in exceptional circumstances.
25. Swimmers whose entries have been accepted, but who do not intend to swim must withdraw. Withdrawal must be notified to each club's designated team manager, who will in turn notify the meet organisers (before the start of the warm up for each session). Clubs with an unacceptable level of unreported withdrawals will be reported to the Performance Swimming Events Committee who may impose a penalty, including a fine.
26. The list of finalist for events with finals will be published as soon as possible after the heats have been completed. This list of finalist will also contain a "withdraw by time". Finalist (including reserves) who wish to withdraw (in exceptional circumstances, as above) must sign the "finals withdrawal" sheet held by the meet administration team before the posted "withdrawal time". A fine of £10 may be levied on clubs in respect of all finalists (including reserves) who do not compete without having complied with the withdrawal process above. The on-line entry process for future BSBASA performance swimming competitions will be blocked for clubs which have unpaid fines.
27. Team declaration forms must be collected at the start of session 1. These must be completed with the details of the swimmers who will actually compete and must be posted prior to the time stated on the form. If forms are not posted, then swimmers and teams will not be able to swim. It is not necessary to withdraw from these events. Teams who do not swim the declared swimmers in the declared order will be disqualified.
28. All events swum at Wycombe will be seeded slow to fast. All events swum at Maidenhead, with the exception of the team events, will be seeded fast to slow (this is to allow the swimmers who are most likely to qualify for finals to have the greatest amount of rest).
29. For events with finals, the fastest 3 heats will be cyclically seeded, all other heats will be spearhead seeded. For all other events, all heats will be spearheaded.
30. The meet will be held under ASA Laws and ASA Technical Rules.

## Awards

### Age group awards

31. Awards will be made to the winners in the following age groups,

10-11 years, 12 years, 13 years, 14 years, 15 years, and 16 years & over.

*NB 10-11 year olds may not enter the 800/1500m freestyle or the 400m IM.*

Ages are at 31 December 2017. A gold medal will always be awarded to the swimmer placed first. The “minus one” rule will apply to all other medals and rosettes, ie the number of medals and rosettes awarded for an age group will be equal to the number of swimmers placed in that age group, less one. So if 5 swimmers are placed then a gold, silver and bronze medal and a fourth placed rosette will be awarded. The swimmer placed fifth will not receive an award.

### Para-Swimming multi-classification competition awards

33. The 50m and 100m events will include Para-Swimming multi-classification awards. Classified disability swimmers will in addition to their age group placing be placed in a multi-classification disability award category. Placing will be done based on British Disability Points. There will be two reserves, and reserves will be promoted to the Senior County Championship final in the event of a faster swimmer withdrawing. There will be no swim offs for equal placed swimmers and in such cases the number of swimmers in the final shall be reduced as necessary. The winner of the Senior County Championship final will be awarded the Senior County Championship Trophy and a County Championship Gold Medal. The swimmers placed second and third will be awarded County Championships Medals, subject to their being at least 3 and 4 Senior County Championship finalists respectively. In both cases, the teams placed second and third will also each receive a County Championship Medal, and rosettes will be awarded to each swimmer in the teams placed fourth to eighth' subject to the minus one rule.

#### Notes

These are consideration times and we may need to reject swimmers who meet the consideration times to keep the length of the sessions within our pool bookings, our license conditions and what is reasonable for high quality competition.

Consideration times are stated to tenths. For the avoidance of doubt, where the consideration time is stated as (say) 1:37.0, a time of 1:37.00 meets the entry criterion, but 1:37.01 does not.

Ages are at 31 December 2017. Swimmers must have achieved the consideration time during the period 24 December 2015 – 18 December 2016
